

NEHA DESHMUKH

AI/ML Engineer | Deep Learning | Computer Vision

neha.deshmukh.ai@example.com | 9765432108 | Hyderabad, Telangana, India

TECHNICAL SKILLS

- Languages: Python, C++
- Libraries: TensorFlow, PyTorch, OpenCV
- Data Analysis: Pandas, NumPy
- Cloud Platforms: AWS, Google Cloud

WORK EXPERIENCE

Machine Learning Intern | AI Vision Labs

- Developed image classification models.
- Improved model accuracy from 82% to 91%.
- Optimized training pipelines.

PROJECTS

Face Recognition System

- Built real-time face detection and recognition software.
- Achieved high recognition accuracy.

Plant Disease Detection

- Used CNN models to classify plant diseases.
- Assisted farmers with early disease detection.

EDUCATION

Bachelor of Technology, Artificial Intelligence

JNTU Hyderabad | GPA: 9.1/10
